Hey Kevin - not sure what was changed - I know I had my edits and I think you told me Bruce's were only comments but they didn't really have time to address? Thanks much, Richard

Tina et al.,

Nice job. Attached are my very minor editorial comments. I added Homeland Security Research to Q6 footnote.

Good Morning Richard,

In the current version – Version 3 – I have incorporated all the comments received from the IOAA. I know you wanted to look at this revised version and OPARM (Matthew, in Jamie's absence) was trying to get this to OCFO asap by this afternoon at the latest. I am around today and will be glad to address any residual questions or edits. I can be reached by email or phone.

Thanks,

Tina
